These financial statements are then translated by the management of its holding company M/s. Alkem Laboratories Ltd., India in Indian currency (INR) and is also presented in the formats and as per requirements of Schedule III to the Companies Act, 2013 and as per the Indian GAAP for the purpose of presenting it to the shareholders of its holding company as per the requirements of Section 129(3) of the Companies Act, 2013 and for the purpose of its consolidation with the financial statements of the holding company.

Management's Responsibility for the financial statements:

The Company's Board of Directors is responsible for preparation of these financial statements that give a true and fair view of the financial position and the financial performance of the Company in accordance with the accounting principles generally accepted. This responsibility also includes maintenance of adequate accounting records for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility:

Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the Generally Accepted Standards on Auditing. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of

the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.
