Review report

To Board of Directors of Alkem Laboratories Limited

We have reviewed the accompanying statement of unaudited consolidated financial results ('the Statement') of Alkem Laboratories Limited ('the Company') and its subsidiaries listed in Annexure I (the Company and its subsidiaries constitute 'the Group') for the quarter and six months ended 30 September 2016 attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Attention is drawn to the fact that the figures for the corresponding quarter and six months ended 30 September 2015 including the reconciliation of profit under Indian Accounting Standards (Ind AS) of the corresponding quarter and six months with net profit under previous GAAP, as reported in these financial results have been approved by Company's Board of Directors but have not been subjected to review or audit.

This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these results based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

We did not review the interim financial results of two subsidiaries included in the unaudited consolidated financial results, whose interim financial results reflect total revenues of Rs. 2,014.8 million and Rs. 3,519.1 million for the quarter and six months ended 30 September 2016 respectively and total profit after tax of Rs 63.6 million and Rs. 127.9 million for the quarter and six months ended 30 September 2016 respectively, as considered in the unaudited consolidated financial results. These financial results have been reviewed by other auditors whose reports have been furnished to us by the Management and our report on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on the reports of the other auditors.

The unaudited consolidated financial results includes the interim financial results of fourteen subsidiaries which have not been subjected to limited review by their auditors and have been presented based on the financial information compiled by the Company's management. Interim financial results of these subsidiaries reflect total revenues of Rs. 720.8 million and Rs. 1,481.0 million for the quarter and six months ended 30 September 2016 respectively and total loss after tax of Rs 247.4 million and Rs. 640.0 million for the quarter and six months ended 30 September 2016 respectively, as considered in the unaudited consolidated financial results.

Review report (*Continued*)

Alkem Laboratories Limited

Based on our review conducted as above and based on the consideration of the reports of other auditors as highlighted above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable accounting standards i.e. Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI Circular dated 5 July, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.
